

SPONSORSHIP OPPORTUNITIES

The first annual Sedona Garlic Festival is the event for lovers of garlic and good times. Family friendly, fun filled and fragrant, this festival features local foods, chefs, music, artisans, games and competitions, all promoting a healthy environment, family farms and vital rural communities in Arizona.

Being our first annual festival in 2008, we would like to give you the opportunity to sponsor our very first festival. We offer opportunities for companies, organization and individuals to be involved with this thriving event that will continue to grow substantially in size and duration over the next few years.

Portion of the proceeds will go to Phoenix Children's Hospital Foundation.
